Re: *FEC Correspondence dated June 21, 2011*  
*Year-End Report (11/23/2010 – 12/31/2011)*

Dear Sir or Madame:

The purpose of this letter is to respond to your correspondence dated June 21, 2011 in which a question was presented regarding three contributions received during the year 2010. These contributions are as follows.

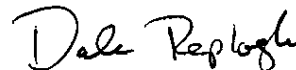

Time Warner Cable Federal PAC	5/27/2011	\$2500.00	General 2010
Time Warner Inc. PAC	9/27/2011	\$5000.00	General 2010
Time Warner Cable Federal PAC	12/17/2011	\$5000.00	General 2010

The aggregation error which occurred that led the report to appear as if our contributions from these two PAC exceed federal contribution limits was caused by the fact that both Political Action Committees (PACs) were entered into our system using the same FEC ID number (C00339291). These are, in fact, two separate PACs. The Federal Committee ID number for Time Warner Cable Federal PAC is C00431551.

When we received the contribution from Time Warner Inc. PAC in September, 2010, we determined that the check originally reported to Time Warner Cable Federal PAC in May, 2010 should have been reported as a receipt from Time Warner Cable, Inc. PAC. This contribution was redesignated on our Third Quarter Form 3 Report of Receipts and Disbursements as a redesignation from Time Warner Cable Federal PAC (General 2010) to Time Warner Inc. PAC (Primary 2010). This redesignation put our contributions within the allowable limits for each of these two PACs.

A representative of our campaign spoke to our report analyst who confirmed that we could address the issues presented in a cover letter rather than in a full amendment. This correspondence and the attached cover sheets for the original report serve as our official response to your correspondence.

Sincerely,

Dale Replogle
